# ISoIRS 2023
ISoIRS 2023

2023 3rd International Symposium on Intelligent Robotics and Systems

May 26-28   ChangSha, China

CALL FOR PAPER

Artificial Intelligence
Automation Intelligence
Calculi of Uncertainty
Cognitive Robots
Humanoid Robot
Human-Robot Interaction
Robot Intelligence
Image Processing
Multi-Robot Systems
Robot Motion Control

Nonstandard Logic
Robots for Security
Software Agents
Symbiotic Robotics System
Vision recognition
Vision reconstruction
Wheelchair Robots
Neural Networks
Soft Computing
Inspection Robots

International Advisory Committee

Angel P. Del Pobil—Jaume I University, Spain
António E. Ruano—LAETA, Instituto Superior
Técnico and Universidade do Algarve, Portugal
Weigang Li—University of Brasilia, Brazil

Conference Chairs

Xiping Hu—Beijing Institute of Technology/Shenzhen MSU-BIT
University, China
Guandong Xu—University of Technology Sydney, Australia
Kehua Guo—Central South University, China

Conference Co-Chairs

Xiaochun Cao—Chinese Academy of Sciences, China
Xiaodong Zhang, Xi'an Jiaotong University, China

Program Chairs

Gao Ying—South China University of Technology, China
Antonio Frisoli—Scuola Superiore Sant'Anna, Italy
Wang Wei—Sun Yat-sen University, China
Sule Yildirim Yayilgan—Norwegian University of Science
and Technology, Norway
Evgeni Magid—Kazan Federal University, Russia

Deadline
Full Paper：Jan. 25, 2023
Registration：Apr. 11, 2023

REGISTRATION

Student
500 USD

Nonmember
550 USD

Submission
